**We successfully deliver over 4,000 vessels each year via sea, road, rail and air  
- to any global destination.**

Peters & May provides worldwide boat transport services to premier race teams, boat manufacturers within the leisure and commercial markets, global dealers and private boat owners.

Peters & May has a team of experienced staff on hand to assist with every element of your yacht transport needs, from securing a suitable vessel to the provision of a shipping cradle, marine cargo insurance, VAT advice and all customs import and export formalities.
