The excitement. The passion. The winning. We're with you every step of the way.

The Peters & May Yacht Racing Division delivers specialist support to individuals, teams, crew and event personnel involved in the global racing circuit.

We embrace the challenges with an absolute passion for the sport and work with our clients every step of the way to get yachts of all classes to events safely and on time, whether inshore or offshore ocean classics or around the world.

We are trusted by high profile race teams and event organisers to manage specific needs of professional and amateur racing teams, crew and individuals.

With over 40 years' experience in the industry, we have worked with competitors in some of the greatest sailing events in the world: the Americas Cup, the Admirals Cup, the Volvo Ocean Race, the Vendee Globe Race, the Barcelona World Race, the Transatlantic Race as well as Antigua Sailing Week. We are also the current official freight provider to the prestigious TP52 Super Series.

Exceeding Expectations in Yacht Racing Logistics

Our team are renowned for their attention to detail and the close working relationship we have developed over time with our clientele. We provide turnkey solutions to cover all logistic possibilities and requirements whether planned or unanticipated.

Company Background. Delivering excellence in global logistics since 1973...

Peters & May Ltd provides worldwide yacht transportation services to over 4,000 vessels each year via sea, road, rail and air. As a specialist marine transport provider, we are the first choice for many of the world's leading names in the marine industry. Our clients include professional and commercial organisations, individuals and leisure clients, and we are the long term preferred logistics supplier to many manufacturers and race teams.

With the support and backing of The Constantine Group, recent years have seen major global expansion for Peters & May Group. As an ongoing business strategy to further enhance global operations, we have wholly owned offices in the UK, USA, France, Germany, Spain, Italy, Hong Kong, and China. In addition, exclusive agencies were opened wherever key partnership opportunities have been identified. Locations include: Australia, South Africa, New Zealand, Benelux, Turkey, Dubai and Russia.
